Dear Mr [REDACTED]

Re: Potential revocation of your residence permit (now referred to as deportation under the Immigration Act 2009)

Your case was referred to us after it was alleged that you had entered into a marriage of convenience with the purpose of gaining residence in New Zealand.

The allegations made against you have not been supported with any tangible evidence and no formal confirmation of the allegations has been given. As a result, the Resolutions Team will no longer be pursuing deportation and has closed the case against you.

However, if new information becomes available we will reassess your case and may reopen it.

If you have any questions or wish to discuss any aspect of this letter, please contact the writer at cally.worthington@dol.govt.nz.

Yours sincerely
